Notes: It's hard to believe that the new year is almost upon us; this year has flown by! This month we will be continuing our flower shop project, and we will be doing many fun activities pertaining to the flower shop and the holidays. We will also be working on the individual goals that you picked for your child at conferences. We had a lot of wonderful volunteers in the month of November, and we would love to see you all in December. We wish you all a safe and happy holiday season!
