

Letter Recognition Creative Curriculum Project
Ms. Peggy & Ms. Kim

This activity is to help your child learn to recognize alphabet letters in their name. Glue or tape the snow balls together to make a snowman. Put the letter of their name on each of the snow balls. Have your child name the letters that they have in their name. You can also ask your child what sound the letters make. Have fun and don't stress if he/she doesn't know all of them. The more you play, the more your child will learn! 😊
