

January At Home Project

Please help your child cut out and decorate a snowman. We are wanting them to get more practice cutting. We would also like to have them put the circles in order, from large at the bottom to small at the top. You can decorate the snowman with anything you want. Put the snowman on the blue paper. We will be displaying them in the classroom so send them a.s.a.p. Thank you for your participation!

Ms. Lynel and Ms. Cheryl

Teaching strategies connection:

Physical 7a Uses fingers and hands

Cognitive 13 Uses classification Skills

Time spent: 15 min. _____ 30 min. _____ 1 hour _____

Child's name _____

Parent's name _____

Parent signature _____

Date _____

Teacher Verification _____

Child's response to activity _____
