Guest Speaker: Sue Elder, Librarian from Fondulac Library came and spoke to our families about the services the library offers. She showed parents the pre-loaded tablets children can check out, theme boxes, apps parents can put on their phone to enhance their library experience and upcoming events at the library.

Minutes: Meeting started at 5:30

Miss Suzy announced that Family Center raised 1232.00 for the Show Me Dough Event and Robein raised 349.40. She reminded them that pick up is on November 14th from 1-4. Miss Alice informed parents about the Kroger points and parents would like a note to come home on how to link their account. The Parents voted to send the children to the movies for their Christmas gift, Miss Alice is going to contact the theater to set up dates. At the next meeting we will be decorating for the holiday event. Parents asked if we could post notes going home on Facebook, Miss Suzy explained not every site is doing the same events and it could confuse parents. Miss Nikki brought up the idea that the teachers create a private page and invite only the parents in that classroom. Brad is going to bring it up at the next Policy Council. Parents received handouts for preparing for cold and flu season, essential oils that help in the winter.
