31	<p>About this Month: We hope you had a great break! We are glad to be back! This month we are working on recognizing letters, letter sounds and counting. We are excited to have some fun with the Gingerbread Man and the taste test when we catch him. Don't forget to call on the day with the phone icon and have a chance to win a prize. Also, if you miss the bus and bring your child to school, you need to call 699-6843, and meet us on the side of the building in the circle drive, not the front of the building. We have to sign your child in, they can not be brought down by the secretary. If your child isn't going to be at school, please call your child in, so we can mark them correctly for attendance.</p>
