30	31 	<p>About this Month: We cannot believe that the school year is almost over! We have had an amazing time working with your child! As we approach the end of the year, we want to remind everyone to sign their children up for Kindergarten. Most school districts have already had sign-ups. If you are unsure of your district or how to contact them, please let us know. We can help! If your child will return to Head Start next year, you will be contacted at some point by your Family Service person. 😊</p>
