

Creative Curriculum: Fun with a Box
Miss Debbie and Miss Becky

For the month of March, please help your child find a box at home. Any box will work. Then help them use their imagination to create their box into something they would like to bring to school to show us and tell us about. Also, use the attached page and let your child dictate to you anything they would like us to know about their box project. For example (what is it, how it was made, what it can be used for.) Please send the box any time this month.

This activity will help your child develop skills in the area of:

Cognitive

Objective 14: Uses symbols and images to represent something not present

- a. Thinks symbolically
- b. Engages in sociodramatic play

Language

Objective 9: Uses language to express thoughts and needs

- a. Uses an expanding expressive vocabulary
- b. Speaks clearly
- c. Uses conventional grammar
