30	31 	<p>About this Month: We will be busy with many fun activities as we enjoy our last few weeks together. We planning to learn a lot about bugs and other pond life. We are also planning a fun day for the children on our last day of school. Unfortunately, we will not be able to invite family members to join us as we have in the past, but you will hear about the awesome day from your child. Towards the end of the month, we will be contacting you about our end of the year home visit procedure.</p>
