About This Month: We will focus on fall through the month of October. We have many fun fall activities planned. Watch for your weekly updated newsletter for the fun activities we will be doing here in the classroom. The weather is starting to change, and we will have colder days ahead. Please dress your child accordingly for cooler days. We will continue to go out on the playground as long as the weather is permitting. Please send in an extra pair of clothes for your child. Also remember to send back your monthly in-kind. This is an important piece to our program. If you have any questions, please feel free to contact one of us. Also remember to call your child in if they are not going to be here. It is important we know all symptoms.
