28	<p><b>About this Month:</b> We had a lot of fun learning about winter and reviewing the letters we have went over so far along with introducing the letters W and B. The fun activities we are planning to do with the children this month are to let the children paint a wooden letter to represent the first letter of their name and to make a pom pom Valentine's Day craft. If you have any suggestions about fun activities to do in future months, please let us know. We will be passing out Valentine's Day cards on the 16<sup>th</sup> please have your child write their first name on the cards and leave the envelopes blank so it is easier for them to be passed out; we have 15 children in our class. We will make bags in class for the children to put their Valentines in, and we will be doing some fun educational activities that day. Parent teacher conferences will be on March 11 and 12; be on the lookout for sign up notes to be coming home at the end of this month. If you have any questions, please feel free to call us.</p>
