<p>27 Topic: Fall Weather Letter F</p>	28	29	30	<p>About this Month: We have had a lot of fun getting to know our friends and learning our classroom rules and routines. We are so excited to be able to enjoy another month of school in our classroom. Thank you all for being so patient with us while we figured out what would work best at pick up and drop off time; things seem to be going smoother every day. This month, we will be continuing to review classroom rules and routines as well as learning about fall and introducing the letters A and F.</p>
