

Miss Julie and Miss Michele

Monthly News

This month

The first two weeks of school have gone well. Everyone is learning the new classroom rules and routines and are making new friends. Thank you for sharing your children with us, we truly enjoy them all. We have been focusing mainly on social and emotional skills and will continue to do so for the first two weeks in September. The children have been learning about their feelings, the different breathing techniques, when to use those breathing techniques and how to solve social problems with their peers by using our solution kit. For the last two weeks in September, we will talk about fall, fall weather and apples since the first day of fall is on September 22nd.

Important Dates

- 6th No School Labor Day
- 22nd Happy 5th Birthday Lucas
- 23rd Happy 5th Birthday Dakota
- 24th No School Professional Development Day
- 28th Parent Committee at Eureka Site 5:00 pm

Something to Try at Home

Fine motor skills are important to help children be able to hold a pencil with a tripod grasp. A tripod grasp is using the thumb, index, and middle fingers with an open space between the thumb and index finger. A great way to work on fine motor skills is to have your child string beads on a piece of yarn or a shoestring.

Health or Nutrition News

*.Parents please remember that your child is required to wear a mask at school, please make sure they are ready with their mask on when dropping them off or if they use a mask provided by Head Start, we will have them in their cubby so they can put them on right away to ensure health and safety. Thanks so much!
