30	31 	<p>About this Month: This will be our final month at school, so we are planning a lot of fun activities. We will be releasing our butterflies about a week after they transform. We will also try to do some story times outside for a change and fresh air. We will continue learning about farms and farm animals. We will be sending home weekly newsletters letting you know about upcoming events. We have been planning something special for our last day of school along with Parent Committee. We will let you know as soon as we figure it all out. We will let you know more about our plans for the end of the year Parent Teacher Conferences. Be on the look out for notes about everything. The last day of school is May 21st. Call in on the 4th for a chance at a prize.</p>
