21	22	23	24	25	26	27
28	<p>About this Month: Last month we had a great time learning about dinosaurs, sizes and measuring. We also had fun with winter activities. This month we will be working on learning units about the 5 senses, dental health, and Dr. Seuss. We will celebrate Dr. Seuss's birthday at the end of the month. Parent teacher conferences will be held on March 11th and 12th, so be looking for sign-up sheets at the end of this month. We will be focusing on friendships the week before Valentine's day. We will be doing classroom activities that involve making and giving valentines to our classmates.</p>
