26	27 Memorial Day	28	29	30	31	

We can't believe it's the last month of school. We have a month filled with fun things to do. As you know we began studying water towers and we are excited to show off our work at the family show case night, so please plan to attend this event. We will also be going to McNaughten Park to release our frogs or tadpoles, depending on their growth. We will be sending home a sign-up sheet for our last parent teacher conference which will be our last home visit of the school year as well. Please sign up for a time asap, so we can get our schedule ready. Thanks for all you do!

Miss Lynel & Miss Cheryl
