26	27	28 Home Visits this week →	29	30	31	

We can't believe how fast this school year has gone by. Our class has been really working hard on learning so many fun facts about fish. We are hoping the weather holds out, so we can go on our field trip to Farmdale Creek to practice casting our fishing poles, to Hooked on Fishing to go fishing, to the Farm Park, and on our last day of school when we celebrate our friendships at the park. We are also having our Fish Project Showcase Night on the 16th. We hope you can all make it. This is a chance for your child to be the teacher and show you everything they have created and to teach you all the fun facts they know about fish now. We are also celebrating our summer birthdays on the 21st. We will be sending notes home soon to schedule our last parent/teacher conference, which will be a home visit. We can't wait to see you!
