Notes: It's hard to believe that the end of school is here already. Alycia and I have truly enjoyed working with you and your children, and want to take a moment to thank you all for sharing your most prized possessions with us. On the last day of school, we will be asking that you meet us at the Eureka Lake Upper Park Pavilion and the bus will pick us up around 1:00 pm to take us back to the school. You are welcome to spend the day with us. Also we will be doing our end of the year home visits/parent-teacher conferences during the last week of May. We will have a sign up sheet later in the month.
