

Creative Curriculum Project

February Valentine Box

Brighten up these winter days by helping your child make a Valentine box! You can use a bag, cereal box, Kleenex box, shoe box, oatmeal box, or whatever small box you might have. Help your child decorate the box with whatever you have lying around the house. If you are in need of help with supplies, please let us know. Make sure your child's name is on the box! Use your imagination and have fun with your child!

The kids can bring their box and Valentine cards in February **8-10!** Please have your child sign their name to their cards and leave the "to" section blank. We have 19 kids in our class.

Please complete this creative curriculum project sheet and return it with your child's box. If you have any questions, please don't hesitate to ask!

~Ms. Nikki & Ms. Kira
