

January Creative Curriculum

Snowmen Names

This project is to help your child recognize the letters in his/her name and place them in the correct order. Please help your child cut out the snowman's face. Then, cut out each section of the snowman that has a letter on it. Help your child arrange the letters so it spells their name. Glue it together, saying each letter as you glue it. Please complete the project and return it and this sheet to school no later than January 29, 2021. If you have questions or concerns, please feel free to call 309-699-6943.
