

Creative Curriculum Size Comparison

Dear Parents,

We have been learning about sizes at school. Please help your child cut out the apples, pumpkins, and leaves. Use the size sorting mat to help your child sort the items from Big to Biggest and Small to Smallest. Use other things in your home to sort by size such as: shoes, towels, chairs, tables and even people. When finished, please return this form to school. You can keep the materials at home to practice.

Happy Sorting,

Miss Peggy & Miss Jackie

Was your child able to sort all items by size independently?

Yes _____ No _____

What other things did you sort by size in your home? _____

Child's Name: _____

Parents Name: _____

Date: _____

Time Spent: 30 min. 1 hr. 1hr/30 min. 2 hrs.

Teacher Verify _____

Date: _____
