25	26 Happy Birthday Hunter	27	28	29	30	31  HAPPY HALLOWEEN

About This Month: We will learn about apples. We will do artwork with apples, have a taste test, explore the parts of an apple and learn the life cycle of an apple. We hope you have enjoyed the activities we have sent home on Friday. The children love sharing what they know with the class. We go outside everyday so please be sure to dress your child for the weather.
