28	<p>About this Month: This month we are working on Retelling a story using the book "The Mitten". We are working on all the animals in the story and how they helped each other when it was cold outside by sharing a nice warm mitten. This first two weeks will be all about winter animals and how they are different from farm animals. We will compare them and find differences. We will be learning how to share and how to be kind to one another. Make sure your child has a winter coat, hat, and gloves because if weather permits, we will be going outside to play. If your child needs any of these items, please let us know. (309)347-1971. Don't forget about Ready Rosie weekly.</p>
