29	30	31	<b>About this Month:</b> We all hope that Spring is on the way! We hope to see you at your child's conference time. If you haven't made an appointment, please call 309-699-6843. This month, we will continue our Grocery Store project. We will begin to talk about signs of Spring like trees and flowers budding, grass will be turning green and the temperatures will be warming up. Please feel free to come in and volunteer anytime. We can always use the extra hands.
