27 Topic: Social/Emotional Skills, Rules & Routine, Fall/Autumn, Name Recognition	28	29	30	About This Month: The past couple weeks have been wonderful! It has been great getting to know your child. We have been learning the rules & routine of the classroom, learning our names, how to use our BIG voice, breathing techniques, and learning how to play in our centers. This month we will continue working on the rules & routine of the class, germs, name recognition, and some fun Fall activities. Please call if you have any questions. 309-699-6843
