

The Life Cycle of a Butterfly and a Frog Creative Curriculum

First, look at the Butterfly life cycle sequencing page.

Have your child color and cut out the sequencing picture cards. Your child can then, place or glue the cards onto the correct number, in the correct order. Next, look at the Frog Life Cycle sequencing page. Have your child color and cut out the sequencing picture cards. Your child can then, place or glue the cards onto the correct number, in the correct order. Ask your child what happened to our caterpillars.
