

First Letter of Child’s Name Class Book

Creative Curriculum Project

Instructions: This week we are working on recognizing the letters in our first name. We would like for you to have your child create a page for the class book with words and pictures that start with the first letter of their name to share with the class. Use the construction paper provided. On the front side, have them write their first name. On the back side, have them write the first letter of their first name. For example, if the child’s name was “Dylan” ...he would write a big letter “D” on the front side of the construction paper. Then, have your child cut out pictures from magazines or newspapers that represent the letter of their first name. For example, he might cut out pictures of a dog, dolphin, duck, dinosaur, and deer. He would then glue/tape the pictures to the back side of the paper. You might even have your child practice writing the words for each picture. Your child has now created their pictures that start with the same letter of their first name. Please return this form and their name page for the class book.

Child’s name _____

Name of adult who helped (print) _____

Adult signature _____

Date _____

Time spent (circle one) 30 min. 1 hr. 1.5 hrs. 2 hrs.

Verified by staff _____ Date verified _____
