About this Month: We hope that everyone has a wonderful Easter holiday and Spring break. Enjoy the weather and all the fun activities that can be done outdoors. The month of April we plan to get our hands dirty by planting seeds and learning about the parts of the plant. We will put our greenhouse in the room to get the plants started to care for. We hope you hear a lot about gardening and what it takes to grow a plant. Have a wonderful Easter Holiday.

Ms. Tammy and Ms. Becky
