31	<p>About this Month: We look forward to seeing everyone back in the new school year. We wish for all of you and your family to have a wonderful and safe holiday season. This new year we will start with learning about music and making our own instruments. We will be finishing this month by learning about winter animals and how to care for the animals that live outside. Making pinecone feeders are always a fun activity. We do go outside, weather permitting so please send your child with coat, hats, mittens for them to wear when we check on the animal feeders. Send in those snowball names. We would love to see them and hang them up in the room to display the children's hard work.</p>
