30	31 	<p>About this Month: This short month will be packed full of outdoor fun and learning. We will get dirty and have a blast doing it. We hope to fly kites, blow bubbles, have a popsicle eating day as we end the year. We have enjoyed our time with each and everyone one of the children. We will miss our kindergarten bound students and look forward to seeing our younger friends return for more learning fun. Have a wonderful summer.</p>
