

September Creative Curriculum

Ms. Tammy & Ms. Becky

For the start of school, we would love if you could send a family photo (4x6) for us to display in the classroom on our family board. If you would like to email it to me please send it to: tlawson@twbsp.org by August 21st. We cannot wait for the children to see their family photos displayed. Also, we ask that you fill out the attached index card that is labeled with you child's name. Please write a special note on the lined side for us to read to them later. Please have them trace their name and decorate the unlined front of the index card. We plan to laminate the index cards of all the children and make a book for all the children to see. We will read it to the whole class and then put it in the library area. We look forward to all the wonderful photos and notes you send back.
