We love to show you all they are working on. This month we are learning about healthy foods after Halloween fun. Then we will learn how we digest food and follow up with Thanksgiving Activities. This is a fun filled month full of learning and excitement. When the weather gets cooler, we do go out so please have your child wear coats and jackets that will keep them warm. If they come with hats and mittens, please have their name labeled on their tag. This will be helpful. We do remind them to take the hats and gloves home at the end of the day; however, some may forget. If they forget the hat and mittens are most likely still in their cubby. Please have a wonderful Thanksgiving Season. Ms. Tammy & Ms. Becky</p>
