

Ms. Tammy and Ms. Dawn  
March Creative Curriculum

In honor of Dr. Seuss' Birthday we are sending home a rhyming game using numbers to match to rhyming cards. All the items for the game are attached. When playing the game help them sound out each number and object to hear what sounds the same at the end of the word. When they find the rhyming word, tell them "they sound the same they rhyme".

Child's name: \_\_\_\_\_

Parent's Signature: \_\_\_\_\_

Date: \_\_\_\_\_

How many rhyming numbers did they find without your help: \_\_\_\_\_

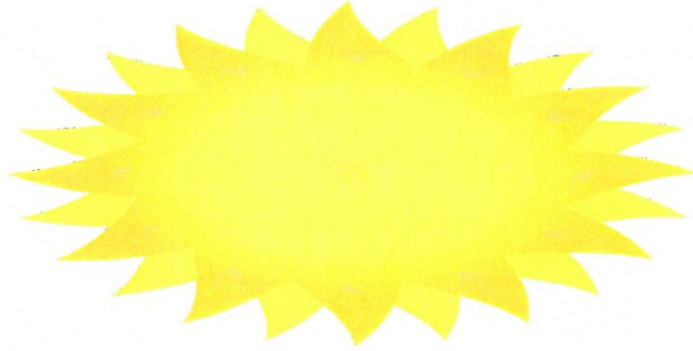

Can they rhyme : yes or no

How many numbers did they know: \_\_\_\_\_

Time Spent: 20min 30 min 45 min 1hr

15a. Notices and discriminates rhyme

20 Identifies numbers 1-5
