29	30	<p>About this Month: Our time together is limited this month, but we are planning a lot of fun learning experiences. We will be learning about how animals prepare for the colder weather. We will introduce new vocabulary words that relate to this season. We will also discuss the meaning of "thankfulness" and other ideas that the children would like to learn more about. We will continue to strengthen math skills by using a number line, one to one correspondence activities and tallying.</p>
