About This Month:

This month we will continue learning about and exploring the fall changes around us. We have been focusing on rhyming, letters, letter sounds and simple math concepts. Cooler weather is here. Please be sure to dress your child for outdoor play each day. Our children seem to enjoy doing yoga during some of our large group times. We have several resources such as books, yoga cards and other activities that we use. There is also a great series of yoga videos on You tube called "Cosmic Kids Yoga." It's a great way to connect with your child through exercise. Check it out and have fun!
