About this Month: Wishing all our families a very Happy Easter and have lots of fun spending time with your families. We have sent home a packet for your child to work on during the Easter Break. It does not have to be turned in until the end of the month, so please do not stress over the packet. When we come back from spring break we will be working on the weather and the different kinds of clouds we see in the sky and the name of the clouds. We will be doing an experiment using shaving cream, water, and food coloring. Cannot wait to hear their predictions. We are working on name writing, numbers, letters and finding a solution to solve a conflict by using our solution cards. We want to wish Xander and Olivia a happy birthday!!
