28	<p>About this Month: This month we are focusing on keeping our body healthy and building friendship skills. Instead of a Valentine's Day party this year, we will be having a Friendship Day and celebrating our Friendships/Kindness. We will be talking about how to "fill our buckets" by being kind and helpful. We will be learning about "Go" foods (healthy foods) and "Whoa" foods (unhealthy foods). We will also be cooking in our classroom. The kids are very interested in pizza and baking. We will vote on what kind of "Friendship" snack we want to make together for our Friendship Day Celebration!</p>
