

Snowman Name
Creative Curriculum Project

Miss Shannon & Miss Mary

For this project, your child will cut out the circles provided to make a snowman. One circle will be for the snowman's head and the other circles will be for your child to practice writing the letters in their name. Have your child write one letter on each circle and put the letters in order to spell their own name. Have your child count how many letters are in their name. You can add arms, hat, eyes, nose, mouth, etc. Be as creative as you want!
