**About This Month:**

This month we will be learning about Fall/Autumn, leaves, counting, subitizing, and number recognition. Stay tuned for a note about how we will celebrate Halloween this year. Please remember to dress your child in weather appropriate clothing. The weather is cooler, and we will still be going outside to play and get some fresh air. This is a chance for the kids to take a break from wearing their face masks also. 309-699-6843
